

Inspiration Boutique

The Inspiration Boutique provides free wigs and accessories for patients undergoing treatment for cancer. Reiki and other complementary therapies are available at no cost.

Contact Melissa White, Patient Navigator at 732.557.2317 or email mwhite@barnabashealth.org to schedule your appointment.

All appointments take place in our new Inspiration Boutique in the J. Phillip Citta Regional Cancer Center at Community Medical Center. This program is funded by the American Cancer Society through a grant from the Jay and Linda Grunin Foundation.
